TWO HUGE STILLS ARE UNCOVERED IN RAIDS ON RANCH NEAR SUNOL

Frank Barrett, Jr., Arrested Friday and Released On $2500 Bail.

In what is believed to have been a premature raid, department of justice operatives confiscated two huge stills, seven fermentation vats, alcohol, steam boiler, sugar and copper pipe and tubing, on the Frank Barrett ranch three miles from Sunol on the Vallecitos road last Thursday afternoon.

The raid was said to have been premature because of the fact that while all the paraphernalia for the most elaborate alcohol distilling plant ever found in Alameda county was uncovered, it was thought that operations had not yet started. It was proved later that this was incorrect and that the still had been in actual operation.

"Sugar" Tip.

The first tip on the plant was uncovered in Oakland by department of justice agents when a large consignment of sugar was learned of. The truck load of sugar was trailed and the location of the plant learned. The next day the raid was planned, with the result that while the entire fixtures were found on the ranch, no completed liquor or mash was found.

The outfit consisted of stills having a combined capacity of 800 gallons; fermentation vats capable of holding 35,000 gallons; 9000 pounds of sugar; 350 gallons of alcohol; a steam boiler; and hundreds of feet of copper pipe and tubing.

"Old Time" Distillery.

The stills were located in a barn on the ranch, the actual stills being buried in the basement of the barn, with the condensers and coils located above the floor level. The stills were to be operated by the steam boiler which was located in an entirely separate building. The condensers reached to the top of the barn, a distance of some 40 feet, and were said to have been equal to many used in legitimate distilleries in the pre-prohibition days.

There were but two men at the ranch when the raid was made, one escaped and is alleged to have warned the owner of the ranch, Frank Barrett, who was said to have been attending a barbecue on another ranch at the time.

Barrett was arrested at the ranch the day following the raid and taken to the county jail, later being released on $2500 bail. He is charged with possession of a still and manufacture of liquor, and will be arraigned before a United States commissioner for trial in a federal court. He asserted that when arrested he had leased the ranch and that, although living in the ranch house, had no idea that a still

THREE INJURED AS AUTO HITS FREIGHT TRAIN AT CROSSING

Vacation Trip Is Brought to Abrupt Finish Monday.

Striking a westbound freight train at the Western Pacific crossing, Niles, early Monday afternoon with such force as to almost telescope their automobile, Mr. and Mrs. J. Holroyd, of Berkeley, and daughter, Mrs. Edna Yelland, of Oakland, were exceedingly fortunate in escaping with their lives..

The party had left Oakland at noon in a 1930 Ford coupe, with Mrs. Yelland driving, and were bound for Carmel for a few days vacation.

According to an account of the accident given by Mr. Holroyd shortly after it occurred, the train was already over the crossing, the automobile running into one of the cars. Mr. Holroyd was at a loss to explain why his daughter did not stop, but thought she might have turned her head to talk to her mother, who was riding in the front seat of the car with her. Mr. Holroyd was riding in the rumble seat at the time.

Mrs. Holroyd was the most seriously injured of the three, suffering severe lacerations about the right eye, a chest injury and bad bruises on both legs. Mrs. Yelland was also badly cut about the face, while Mr. Holroyd escaped with bruises.

Mrs. Holroyd and Mrs. Yelland were taken to the Alta Bates hospital in Berkeley, after being treated by Dr. E. C. Grau, in Niles.

This is the second bad accident at this crossing within the past three weeks, Louis Fonseca, 18, of Niles, suffering a fractured skull when he ran his car in the path of a freight train on Wednesday, April 30th.

WORKMAN HAS ARM BROKEN WHEN CAR KICKS

Virgil Small, of Hayward, employed at the Alameda County yard, will doubtless fight shy of cranking obstinate tractors in the future, after the painful experience suffered by him Monday afternoon.

Small was cranking a tractor at the yard, and apparently the tractor was affected by the heat, for it registered protest by kicking the cranker, who suffered a broken right arm. Treatment was given by Dr. E. C. Grau, of Niles.

OAKLAND GIRL IS DROWNED SUNDAY IN CANYON CREEK

Carmelita Mereriea Steps In Deep Hole While Wading.

Stepping into a deep hole while wading in Alameda creek in Niles canyon, Miss Carmelita Moreriea, 18, of 1322 East Fifteenth street, Oakland, was drowned on Sunday afternoon before the eyes of a number of companions who had accompanied her on a class picnic from Oakland high school.

Wilber Miller, 19, of 3029 Thirty-fourth avenue, a member of the party, made heroic efforts to save her, diving four times, and finally succeeding in dragging her to the surface.

Resuscitation efforts on the part of members of the group were attempted, partially reviving the girl, but she died two hours later in the Highland hospital.

Deceased leaves her mother and father, Mr. and Mrs. Manuel Ferreiea.

Funeral services were held at Grant Miller's undertaking parlors at 9 o'clock Wednesday morning, interment following at the Holy Sepulchre cemetery in Hayward.

Merry Workers Sponsor Food Sale On Saturday

The Merry Workers club, of Niles, are sponsoring a Cooked Food sale to be held in the Hellwig and LaGrave Meat Market, Niles, on Saturday afternoon, May 23, at one o'clock, and housewives of Washington township are urged to attend this event, and participate in the many wonderful opportunities that will be found.

President F. V. Jones of the Niles Chamber of Commerce attended a meeting of Alameda County Chambers of Commerce held at the Athens Luncheon club on Monday.

PLANS PROGRESS RAPIDLY FOR PROPOSED NEW PARK

Work of Planting Almost Ready to Commence Is Report.

Plans are progressing rapidly for the early completion of the park and scenic spot which will shortly take the place of the strip of old pavement and unused land between the highway and the railroad right-of-way just north of Niles. According to reports made at the meeting of the Niles Chamber of Commerce Tuesday noon, the plot of ground has been cleared of stones and refuse and is now ready for planting.

George Roeding, of the California Nursery company, largely through whose untiring efforts the park plan has finally become a reality, and who has donated ornamental shrubs and plants to the value of $1000, has announced that he is ready to commence the work of planting immediately.

The county has made a total appropriation of $6,000 for this work, $1,800 of which has already been spent, according to reports, and the county will also maintain the park after it has been laid out and planted.

A water sprinkler system is to be installed, and it is thought that the work on this will commence shortly.

Much discussion on the park question was taken up at the Chamber meeting, and several of the members present spoke in praise of the wonderful work done by Mr. Roeding in pushing this park plan through to the successful stage it has now reached. It was the concensus of opinion among the members present that the project would result in wonderful publicity for Niles, and a committeeman is to meet with Mr. Roeding relative to the question of the expense to be incurred in the planting of the shrubs donated.

There is also a movement on foot to beautify the subway just north of Niles, and further details will be forthcoming after a meeting which is to be held shortly between interested parties.

Formal Opening of New Rose Garage Is Success

The occasion of the formal opening of the new Rose garage at Irvington last Saturday attracted hundreds of people from all parts of Washington Township, and Ed Rose, owner of similar garages in Niles and Centerville, was the recepient of many congratulations on his latest enterprise.

Those attending the opening were regaled with a barbecue and free punch. Dancing was enjoyed in the Maple Hall until a very late hour, and was very popular, especially with the younger people. A complete display of all models of Chevrolet cars was on display, and attracted the admiration of all in attendance. The evening was voted a complete success.

WEDDING CEREMONY IS SOLEMNIZED IN BEAUTIFUL GARDEN

Virginia May Farrington Becomes Bride of Mr. Earl Teeter.

Virginia May Farrington, daughter of Mr. and Mrs. E. J. Farrington, residents of Niles for the past eight years, became the charming bride of Earl Teeter, son of Mrs. J. Teeter, of Niles, at a simple, but very beautiful wedding ceremony performed at four o'clock yesterday afternoon, in the beautiful grounds of her parents' home in Niles Canyon.

The bride, attired in an exquisite gown of green crepe chiffon, with hat to match, and carrying a gorgeous bouquet of white gardenias, was attended by little June Farrington, who made a perfectly charming maid of honor, E. P. Sherman, brother-in-law of the bride, acted as best man, and the little Misses Dawn Sherman, Nancy Farrington and Greta Ellen Mohn were very picturesque as flower girls. Mrs. E. J. Farrington, mother of the bride, was charmingly arrayed in a gown of orchid chiffon. The simple, but impressive ceremony, was performed by Reverend McElhinney, of the Centerville Presbyterian church.

Following the ceremony, a reception was held in the outdoor court in the gardens of Mr. and Mrs. Farrington, attended by members of the family and intimate friends, among whom were Mr. and Mrs. G. R. Mohn, Mr. and Mrs. L. A. Mohn, Mr. and Mrs. F. P. Sherman, Mr. and Mrs. J. W. Myers, Mr. and Mrs. H. Wiseman, Mr. and Mrs. Norman H. Parks, Mrs. M. Mohn and Mrs. Isabel Farrington.

The happy couple left immediately after the reception for Oakland, where they will be at home to their many friends at 2021 Thirty-sixth avenue.

The bride was a former student at Washington Union High school and was a member of the staff of the Township Register for two years. The staffs of both the Township Register and the Pleasanton Times unite in wishing the newlyweds congratulations and hope that every possible happiness may come their way.

Mrs. Alice C. Jermy, of Inglewood, California, who has been visiting in Niles and San Francisco for the past ten days, returned to her home on Tuesday.

EXECUTIVE COMMITTEE REPORT RAPID PROGRESS ON PROPOSED EXTENSION

Anticipate Early Start On Actual Construction Work.

Rapid progress is reported by members of the executive committee of the Niles Chamber of Commerce on the proposed extension of First street through the California Nursery company grounds to connect with the Alvarado road, and the members are very optimistic that an early start will be made on actual construction of the first link of the project.

Latest developments show that the two property owners who are primarily affected by this first link are heartily in favor of signing the deeds, giving the county necessary land for the accomplishment of this civic project.

Both J. C. Shinn and Delia McDonnell, the property owners in question, have signified their intentions of signing the deeds, and this will no doubt be done as soon as one small matter is attended to. Some time ago, Mr. Shinn donated a plot of land 100 by 150 feet, for the purpose of the erection of the present American Legion Memorial building. The main entrance to that building is located on the side of the structure between First and Second streets, and at the time of

LEGION AUXILIARY TO HOLD INITIATION OF HEADS TUESDAY

Installation and initiation of newly elected officers of the recently formed ladies auxiliary to Washington Township post No. 190, American Legion, will be held in the Memorial building on Tuesday evening, May 26, when a cordial invitation is extended all wives of members of the local legion post to attend.

The regular meeting of the auxiliary was scheduled to have been held on Wednesday evening, May 27, but due to the fact that the Legion county council had scheduled a meeting for that evening, the change to Tuesday, May 26, was necessitated.

All members of the local legion post have been invited to be present, and the commander and adjutant of the township post No. 190 will officiate at the ceremonies. Refreshments will be served.

NILES SCHOOL CHILDREN EXCEL IN PRESENTATION OF OPERETTAS ON FRIDAY

Large Audience Is Present and Enjoy Plays by Youngsters.

Two operettas, "Goldilocks and the Three Bears," and "The Enchanted Garden," were admirably presented to a large audience in the Legion Memorial building on Friday evening by children of the 1st to 6th grades of the Niles Grammar school.

The presentations were enacted by the children with a smoothness that is seldom found in such youngsters, and much credit for the excellent showing is reflected on the coaching and training they received from the teachers, who devoted a great deal of time to this purpose.

Several selections were rendered by the school orchestra, and George Bonde acted as master of ceremonies for the first operetta, "Goldilocks and the Three Bears," presented by children in the 1st, 2nd, 3rd and 4th grades.

All the furniture and scenery used in the presentations were made by the children in the respective classes, and the dresses worn by the juvenile actors were made by the teachers.

WINE OWNER FACES GOVERNMENT PENALTY

According to the sheriff's office a precedent was established in Alameda county when Tony Ramos, Decoto poolroom owner and merchant, was assessed $1000 as a penalty for not declaring wine seized in a recent raid, plus $1924.30 for internal revenue tax.

Ramos was recently arrested by members of the sheriff's department and charged with possession of intoxicating liquor after fifty-one barrels of assorted wines had been found in his building. He plead guilty and was fined $250 by Justice Harder, of Hayward.

The total of $2,924.30 claimed by the government stands as a lien against the property until Ramos pays, according to Sheriff Driver. This is the first known time in the county that the government has stepped in to collect internal revenue taxes after raids disclosed large liquor holdings.

BLIGHTING WOMANHOOD FOR PROFIT

ANOTHER SCHEDULE of cigarette advertising has been placed with practically every country newspaper in the United States. The new series of advertising has taken a bolder angle in soliciting the business of the American woman and girl. Until very recently, the manufacturer of cigarettes hesitated entering the home in his attack upon young womanhood and confined his appeal to women exclusively on billboards, a type of advertising that can hardly be associated with the hearthstone like the great American paper, intimately interwoven with the home life of every community in the nation.

After a campaign of obnoxious pictures defacing the landscape of every highway in this state and other states, the tobacco trust in its drive for more and more profits, invades the home through the local paper in an effort to induce our wives and daughters to begin a habit that is not only injurious to their finely strung nervous systems, but indisputably demoralizing to their morals.

Cigarette advertising has been barred from the two publications owned by the writer. We do not need such filthy money to continue to live and operate our business. Years ago we threw out whisky advertising and lived to see this policy endorsed, long before prohibition came, by all except the baser publications—those devoid of all sense of public duty and probity.

****

We wonder if publishers carrying this feminine appeal type of cigarette advertising approve the practice among their daughters and are proud to see the mother of these daughters disgustingly puffing away at a "fag" and exhaling its nicotine-laden smoke through her dainty nostrils, looking about for imagined admiration for her daring?

How many?

Indeed, these publishers—most of them—would punish their daughters if caught in the act—and their wives—well, they would hardly dare take such a license.

Yet these same men open the columns of their papers to this contemptable campaign to win new addicts to the unhealthy, demoralizing habit of cigarette smoking among women and girls.

Are there no ends to which men will go for

State-Wide Ramifications.

Dario Galliano was the man arrested at the plant. He gave a San Francisco hotel as his address. He is being held in the Alameda county jail, pending further investigation into the operations of the still.

As a result of certain papers found in the ranch house, department of justice agents believe that they have uncovered several good leads to the so-called higher-ups in the rum ring. It is the belief of the federal men that the plant was being gotten ready to supply a rum ring with state-wide ramifications.

Pleasanton Man Held.

The raid attracted more than usual attention in Pleasanton in that a Pleasanton man was taken into custody temporarily at the time of the raid. He is George Green, driver of a Standard Oil truck. He was making a delivery of fuel oil at the time the raid was made.

It appeared for a time that Greene might be charged with conspiracy, in that he did not report the still to authorities. Green was able to prove, however, that he knew nothing of the illegal operations going on at the ranch and that he had been delivering fuel oil to the ranch regularly for use in tractors.

...She'd have her mother cook with ELECTRICITY

COOK WITH ELECTRICITY ... THE MODERN WAY

"RIGHT NOW when I need the most care and attention, mother should spend almost all her time with me.

"But just when I want her, she has to be in the kitchen. If she would only let an electric range cook her meals and daddy's automatically, she wouldn't need to stay in the kitchen—she could be with me."

It's easy to have perfect cooking without the usual bother of watching in the kitchen—when you cook with electricity. And that's because of the time and temperature controls. You simply place the food in the oven, say at one o'clock, and set the controls. At three o'clock the meal starts cooking. At six, the electricity turns off. The insulated oven keeps the food hot until you are ready to serve it. Think how nice this will be when company is coming for dinner on a day when you want to be free during the whole afternoon.

Then too, cooking with electricity is economical. The cost for current averages 1c a meal per person. Moreover, cooking elements are faster today—as fast as you'd want them.

A small down payment places the electric range of your choice in your kitchen, ready to use. Come into our office or a dealer's store and see the beautiful new electric ranges.

LITERARY EFFORTS OF NILES POET ARE HIGHLY REWARDED

Nell Farrington Myers Has Three Poems Accepted.

Nell Farrington Meyers, of Niles, who is rapidly gaining for herself an enviable record as a poet, has recently been awarded further honors by the acceptance of three of her poems to be included in the California Anthology, published by the editors of Poetry World, and which will be released in October.

Three pages of material from her work is to be used, including her California poem, "Just California," "To a Night Sky Rider," and "Lilacs."

The volume is to represent the work of the most noted California poets, including Robinson Jeffers, Bert Coaksley, and others whose pens have painted word pictures of California, and interesting sketches from life.

AGED RESIDENT OF BERRYESSA IS MOURNED

Mrs. Mary Martin, of Berriessa, passed away Wednesday afternoon from infirmative causes, at the grand age of ninety-eight.

She came to Alameda county from the Azores twelve years ago. She leaves to mourn her passing three sons, Bert, of Newark, Joaquin, of Centerville, and Tony, of Colfax, California.

Funeral was on Friday morning, and interment, with the Botelho funeral parlors, of Centerville, in charge, was in the Centerville cemetery.

A half-day's work can be obtained by a man who owns a scythe and who is willing to clear weeds from a vacant lot. Anybody interested apply immediately at the Township Register office.

Scout Arnold Abrott, who recently transferred to Pleasanton troop, was a visitor at the meeting of Niles Troop No. 1 this week.

The scouts of Niles Troop No. 1 burned off the dry grass adjoining their building on Friday.

Niles Troop No. 1 is to hold a benefit whist party in the Odd Fellows' Hall on May 26.

Many merit badges were awarded township scouts at a court of honor held Tuesday evening, the following boys being the recipients: Glenn Trout, Centerville, automobiling, handicraft; Lawrence Pine, Niles, civics, pathfinding; Everett Mendenhall, bird-study; Donald Fuller, bird-study; Harry Cesari, conservation, wood working; J. Morgan, conservation; Howard Rose, conservation; John Coltereo, fireman, personal health; Peter Bunting, fireman, public health; Anthony Souza, personal health, public health; Melvin Santos, personal health, public health; Robert Salz, public health; Donald Oliver, first class; Bud McKernan, first class; Melvin Santos, star.

Before the recent Boy Scout meeting in Newark, the boys commenced a baseball game, but it was called soon after the start on account of darkness.

During the meeting it was definitely decided by Committeemen J. E. Dutra that the scouts are to take an overnight hike to the Bunting ranch in Niles Canyon on the afternoon of Saturday, May 6. The boys will leave from the grammar school at two o'clock and return Sunday afternoon at four o'clock. It is expected that many of the scouts will take advantage of the opportunity to pass some scouting tests. Transportation has been arranged for the boys.

MISSION SAN JOSE COUPLE UNITED IN MARRIAGE

At an early morning service Sunday, Miss Mary Costa became the bride of Mr. Anthony Santos. The bride is the daughter of Mr. and Mrs. Augustine Costa, of Warm Springs, and the bridegroom is the son of Mr. and Mrs. Joseph Santos, of Mission San Jose. The wedding was solemnized at St. Joseph's church in Mission San Jose, and the impressive marriage rites were read by Rev. John Leal, pastor of the church.

The bride was charming in her wedding gown of white satin, with a beautiful veil edged with lace. The gown was very simple in style, and was very distinctive, together wtih the shower bouquet of white carnations carried by her.

Miss Rosalie Costa was maid of honor for her sister, and was dressed in pink satin, and carried a bouquet of pink bride carnations. Joseph Costa, brother of the groom, acted as best man.

Mr. and Mrs. Santos are motoring south for their honeymoon, and upon their return will reside in Mission San Jose, where they will be at home to all their many friends.

Golden Anniversary Is Celebrated With Party

Mr. and Mrs. Clemente Rogers were honored Saturday evening at the I. O. O. F. hall upon the occasion of their golden wedding anniversary. Dancing was enjoyed by the many friends present, and delightful refreshments were served.

Ruth Foster, of Newark, was a recent house guest at the home of Miss Aldina Azeveda.

COMPLETE PLANS FOR CARNIVAL IN MISSION SAN JOSE

Fiesta Will Last Three Days Commencing On Saturday.

Plans are rapidly being completed for the mammoth Holy Ghost Fiesta to be held in Mission San Jose on Saturday, Sunday and Monday, May 23, 24 and 25, and as this city was the first to originate fiestas among the Portuguese people, the carnival has added attraction.

On Saturday, May 23, a short parade will commence at 8 o'clock in the evening, and immediately following its termination, an elaborate firework display will be held at the grammar school grounds. Both American and Portuguese style dances will be held during the evening.

On Sunday, May 24, a large parade will commence at 10:30 a. m., proceeding to St. Joseph's church. A special feature will be the coronation of the queen, Miss Evelyn Bettencourt, of Irvington. She will be assisted by Anna May Escobar, of Mission San Jose, and May Santos of Irvington.

After the parade, a free barbecue will be held at the grounds. Dancing will also be held on Sunday, and an auction will also take place. The program on Monday will follow along the same lines as the one on Sunday.

MANY ARE PRESENT ON VISITORS DAY AT MISSION SCHOOL

Many parents availed themselves of the opportunity given Wednesday evening to attend the grammar school for the purpose of witnessing examples of the work accomplished by their children.

Many interesting exhibits were on display, typifying the progress of work in the various grades. On Friday the children were given only half day school in order to allow the teachers to visit other neighboring schools.

VISIT IS MADE TO SCHOOL BY NEW PRINCIPAL

Albert J. Rathbone, present principal of Galt high school, and recently selected as head of Washington Union high school to fill the vacancy caused by the resignation of E. B. Hodges, conferred with department heads at the high school on Saturday, when plans for the next school year were discussed.

SELECT STUDENT BODY HEADS FOR ENSUING PERIOD

Leaders for the student body organization to serve next year at Washington Union high school were announced at a recent assembly, the following being elected: Billie Dick, president; Paul Aust, vice-president; Frances Anderson, secretary; Mildred Durham, treasurer; Ralph Logan, boys' athletic manager; Alma Bettencourt, girls' athletic manager; Harry Nakagawara, editor of the Hatchet; Albert Vasconcelles, yell leader, and Tom Kitashima, business manager of the Hatchet.

COACH REGLI GIVES TALK AT JUNIOR SENIOR PROM

Coach Jesse Regli was called upon to make a speech at the junior-senior prom held at Washington high school on Friday evening, and he responded with a talk on the accomplishments of the Cornhuskers baseball team during the past season. The team won the championship of the North coast that same afternoon by defeating San Jose high school by a nine to five score.

Mr. and Mrs. M. DeSilva, of Centerville, are spending the week in Sacramento, where Mr. DeSilva is attending the Knights of Columbus convention.

CORNHUSKERS WIN NORTH COAST CHAMPIONSHIP

WASHINGTON HIGH BALL TEAM DEFEATS SAN JOSE ON FRIDAY TO WIN CROWN

Team Closes a Successful Season With Only One Defeat.

Washington Union high school baseball team captured the North Coast sectional championship on Friday by their nine to five victory scored over San Jose high school, winners of the Coast counties league, and wrote finis to the most successful baseball season ever enjoyed by the local school.

The game was featured by the excellent pitching of Kitashima, and the faultless support accorded him by his teammates, only one error being committed, which allowed San Jose two of their five tallies. The error was made by Garcia, catcher, but he made amends by hitting for the circuit in the fifth inning with a man on first, recovering the two runs let in by his error.

Every member of the Washington squad hit safely during the game with the exception of Sekigahama, whose fielding was of the usual good brand displayed by him in previous games.

A ruling of the California Interscholastic Federation does not permit a playoff between the winners of the North Coast title and the winners of the Southern California pennant, but it is a general opinion that the Washington horsehiders would stand an excellent chance of being crowned high school champions for California if this game were possible.

VALEDICTORIAN AND SALUTATORIAN FOR GRADUATION CHOSEN

Arlene Oliveira and Sumi Nakashima Are Given High Honors.

At a recent faculty meeting, Arlene Oliveira was selected senior class valedictorian, and Sumi Nakashima as salutatorian, for commencement exercises at Washington Union high school to be held on Wednesday, June 10, when a class of sixty-three will receive their diplomas.

The question of giving a citizen award also was discussed, but after much debate, the matter was left for another year.

At the meeting, Miss E. M. Sandholt gave a talk on standards by which the valedictorian and salutatorian should be selected, and after consideration, the faculty decided that a basis of grade points in academic subjects, plus various type of leadership should be used.

Use of two separate classes for ranking seniors was disapproved, and a suggestion was made that seniors intending to continue their studies at university be ranked in a separate class.

Mrs. George Mathiesen has been in Alameda much of the week, owing to the illness of her mother, Mrs. Young.

Mr. and Mrs. J. Coney and son, of San Francisco, visited friends in Centerville last weekend.

SENIOR CLASS PLAY IS TO BE PRESENTED ON FRIDAY EVENING

Expect Large Attendance for Presentation of "Skidding."

Everything is in readiness for the senior class play, "Skidding" to be presented Friday evening at eight o'clock in the auditorium at Washington Union high school, and the members of the cast are busily engaged in bringing their parts up to perfection.

The story is a fresh sincere picture of American family life, in which humor is blended with pathos and a deliciously garnished philosophy, making the play much more significant than the average comedy.

Following is the cast:
Aunt Milly, Arlene Oliveira.
Andy, Clarence Lucas.
Mrs. Hardy, Sophie Swanson.
Judge Hardy, James Beveridge.
Grandpa Hardy, Edward Bimemiller.
Estelle Hardy Campbell, Edith Gronley.
Marion Hardy, Aileen Steinhoff.

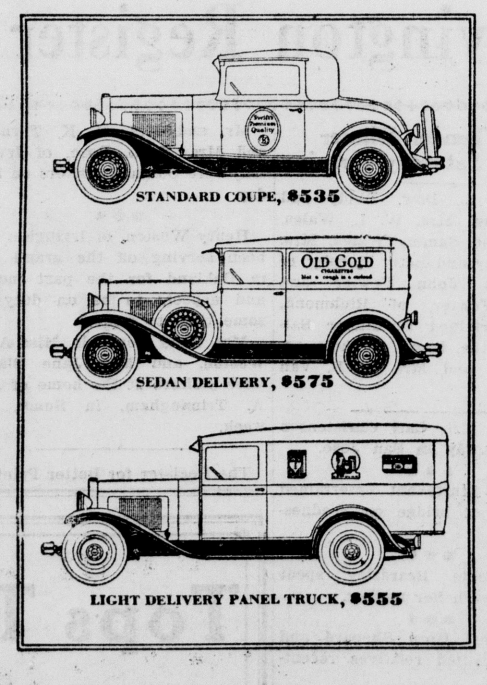
CHEVROLET

73 of America's leading business concerns have bought 27,605 Chevrolets



Prominent among the thousands of concerns using large fleets of Chevrolets are many of the leaders of American industry. In fact, *73 outstanding business firms have purchased a total of 27,605 Chevrolet cars and trucks.*

The reason for this preference lies in the unexcelled economy of Chevrolet cars and trucks, as proved by official cost records. These records show that *20 miles to the gallon* is a common occurrence among Chevrolet cars. That oil expense is extremely low. That Chevrolet cars and trucks require only a minimum of service attention. That they give satisfactory low-cost service over exceptionally long periods of time.

Naturally, a car with such a fine record of economy represents an extremely wise investment for *any* buyer! Especially so, when you consider the many advantages that Chevrolet offers above and beyond economical operation. Come in and learn what these advantages are—what they mean in terms of style, comfort, safety, reliability and value.

MOTORISTS WARNED AGAINST VIOLATION OF HEADLIGHT LAW

Judge Allan Norris Cites Example of Autoists Negligence.

Judge Allen Norris, of Centerville, cites the following example of negligence in what apparently appeared a trivial incident, as a word of warning and advice to motorists in Washington township, relative to headlight adjustments.

On February 25, Frank M. Baptesta was given a citation for faulty headlights, and informed that all that was necessary for him to do would be to obtain a headlight adjustment certificate, and forward it, together with the traffic tag, to the judge at Centerville.

Baptista failed to do this, and entirely neglected the matter. A warrant was issued for his arrest, and he was picked up on May 13, at Patterson, California, where he deposited $10.00 bail, which was forwarded to Centerville, and forfeited.

K.C. BALL TEAM IS DEFEATED BY BERKELEY

Knights of Columbus baseball team lost a twelve to eight decision to the Berkeley K. C. team on Sunday afternoon, and in so doing relinquished the trophy awarded them last year.

J. Fontes and Duarte were the twirlers for the local team, while E. Pimentel did the catching.

The local club is trying to schedule a game with the Alameda Knights of Columbus team for this coming Sunday afternoon on the Washington Union high school diamond, but arrangements have not been definitely completed.

It is planned by the team to hold an affair in June, when the trophy will formally be awarded the Berkeley team, this year's winners, and a committee is busily engaged in completing detailed arrangements.

B. M. Wisner rendered a very fine solo, "Face to Face," Sunday in the presence of the St. James congregation.

Seniors Issue Defy To Entire School For Spring Football Game

Contest To Be Scheduled on Gridiron First Week In June

Senior boys of Amador Valley High School have challenged the remainder of the school to a game of football to be played the first part of June.

The senior team consists of 12 men seven of whom were varsity players last fall, and one of whom made the second team. The seniors will be without the services of Julius Anselmo, who is unable to play because of the injury he sustained in the Castlemont game last year.

Assistant E. C. Lanphier, of Pleasanton, is handling the senior squad and is instructing them in the Notre Dame system. The senior players will be forced to play through the entire game as there is not a large enough number of boys to make substitutions possible.

Coach George Patterson, of Amador High school is working with the team which will be next year's varsity, and expects to defeat the seniors through sheer man power if by no other means. The turn out for spring practice has not been what it should be, Coach Patterson said, but he has enough players to assure the seniors of a hard game.

The lineup for the Patterson squad has not been announced, but the seniors will put the following team on the field: Charles Viada, left end; Ed Gomes, left tackle; Ed Vervais and Roland Maurice, left guard; G. Smith, center; Frank Paulo and Myron Azevedo, right guard; Fred Barton, right tackle; Wilbur Harding, right end; Garnet Flaming, quarterback; Kelly Lee, right half; Bill Bottini, left half; and Lloyd Gomes, fullback.

Two Women Suffer Cuts When Autos Collide Head - On

Wreck at Santa Rita Crossing Occurs on Saturday Afternoon

The highway between the Beck ranch and Santa Rita was the scene of a head-on collision on Saturday afternoon between cars driven by William Kuraisa, of Oakland, and Joseph F. Hutton, of Albany.

No one was seriously hurt, according to Constable Albert E. Vervais, of Pleasanton, who investigated the crash.

In the car with Hutton was his wife, Mrs. Estell Hutton, who suffered cuts on her legs and hands; a sprained right ankle; and body bruises. Riding with Kuraisa were Mr. Rosenthal and his daughter, Phyllis Rosenthal, of Livermore. Miss Rosenthal was cut about the legs.

Mrs. Hutton was taken to Pleasanton for medical attention. Miss Rosenthal was taken to a Livermore hospital.

Hutton was given a traffic ticket for reckless driving by State Highway Patrolman Barren. Both cars were badly wrecked.

NEW COMMERCIAL TEACHER SELECTED FOR AMADOR HIGH

Miss Adelaide Howard, of Santa Rosa, To Be Employed This Fall

Miss Adelaide Howard, a teacher in the Santa Rosa High School, was elected by the board of trustees of Amador Valley High School to the post of commercial instructor for next year.

Miss Howard has been teaching in the Santa Rosa High School for the past seven years. She is to fill the vacancy caused by the resignation of Miss Louise Dilworth, who has given up teaching on account of her mother's health.

LEGION AUXILIARY CONTEMPLATES SALE OF POPPIES SOON

Purchase of Flanders Poppies Being Endeavored by Secretary.

Residents of Washington Township will be offered the opportunity to show their interest in the disabled veterans of the world war the last week in May when the annual Poppy Sale will be conducted throughout the country.

The Township Auxiliary members are endeavoring to obtain a supply of Flanders' Poppies for sale. The co-operation of every person in the district has been asked by the women in order to make this sale a success.

The American Legion Auxiliary poppy program begins in the early winter when the manufacture of the poppies is begun by the disabled veterans in government hospitals.

Throughout the winter and spring months the disabled veterans are given employment shaping the little red flowers. The program comes to a close in May when the poppies are sold on the streets.

The work of making the poppies is a God-send to many of the disabled vets. The work is given only to men receiving little or no government compensation. For many veterans it is the only possibility of earning money during the entire year.

The purpose of the Auxiliary program is two-fold: First—To place the symbol of heroic sacrifice above the heart of every true American. Second—To give at the same time an opportunity to serve the war's living victims.

ALICE SCHWEEN IS HONOR STUDENT IN CLASS COMMENCMENT

Pleasanton Girl Graduates From College of Holy Names on Tuesday

Miss Alice Schween, daughter of Mr. and Mrs. Charles Schween, of Pleasanton, was graduated from the College of Holy Names in Oakland, Tuesday. She was the ranking student in the class and graduated with the highest honors being awarded a certificate of A Magnacum Laude. The degree of Bachelor of Arts was conferred upon her.

Among those from Pleasanton attending the commencement exercises were Mr. and Mrs. Charles Schween, Mrs. W. F. Schween, Mrs. H. P. Mohr, Mrs. Ernest Ferrario, Mrs. C. Martin, Father T. Galvin, and Ernest W. Schween.

In recognition of her splendid work a bouquet of flowers was sent by the Pleasanton Lions club.

LEGIONAIRES PLAN TO HOLD DISTRICT MEETING IN NILES

Committee Is Appointed to Prepare Plans for Gathering.

At the regular meeting held Wednesday evening, May 13, Washington Township American Legion post went on record to hold the next 10th district meeting and rally at the Veterans Memorial building, Niles, in the very near future. The 10th district comprises all of Alameda county, and the local post, with Pleasanton, Livermore and Hayward, will act as joint hosts for the affair.

A committee has been appointed and is busy contacting all other posts in the county. Lee Stivers is chairman of the committee, and is aided by M. C. Dassel, Frank Mendonca and W. L. Martenstein.

A large number of the Washington Township post members are planning to attend the 10th district meeting and rally to be held in Berkeley on May 22, sponsored by the Berkeley, Albany and Campanile posts. It is anticipated that more than 1000 legionaires will be present on this occasion, and the local committee are endeavoring to see that even a larger turnout is present at Niles.

profit? Are there no depths to which they are unwilling to sink, to increase advertising lineage, and cash register receipts! Has the lust for gold completely deadened their consciences until not even a thundering indictment of the craft is audible to ears deafened to everything but the clink of dollars?

** * **

The Press—that mighty vehicle of democracy—that powerful arm of reform! Has its advent into the sphere of big business taken from it all that we of the old school have held so dear?

The Pulitzers, the Nelsons, the Wattersons, the Rosewaters! They are dead—and that fine spirit that pervaded their papers, and set a high standard for less illustrious editors, died with them, it appears.

NOT ALL BAD!

The legislature has adjourned. Perhaps it wasn't the d—dest legislature that ever convened at Sacramento, but many papers are insisting that, if not, it was a close second.

The writer has not followed as closely the deliberations of that body as many of our contemporaries, but we are conversant with some things which were good that came out of Sacramento. The legislature refused to approve many vicious bills, and for this we are thankful. It is true, few constructive measures were enacted, and no onerous laws repealed. There was no intelligent leadership, and few of the members of either house evinced any particular vision, nor exercised their prerogative in denouncing the strangle-hold in which our government is held by large aggregates of capital. Indeed, there was no muck-raking at Sacramento, and the corporations early in the session found it quite safe to dismiss their lobbyists or bring them back to the home office to cajole a prospective customer out of an order, or humor an irate patron poorly served.

** * **

The legislature did three good things. It refused to abolish capital punishment—though the present governor has practically nullified this statute, by what authority no one has yet explained. The legislature rebuked the chief executive for his wasteful program of personal luxury and aspiring locomotion. The old mansion at Sacramento must suffice the governor of fastidious tastes, and when he flies hither and yon it will be in a commercial plane, not in a $75,000 contraption at state expense, fitted out with a cabin, a side-board with liquid refreshments and a butler.

No, the legislature was not all bad.

Pleasanton Has Big Attraction For British East Africa Visitor

Captain Crueden Spends Week-End At Baldwin Ranch

Pleasanton and vicinity has so attracted a recent distinguished guest that he plans to close out his business affairs in British East Africa and return to California to make his permanent home.

This information was learned this week from Wray Bergstrom, of the Baldwin Ranch, who with Mrs. Bergstrom entertained over the week-end for Captain William Crueden, of Thika, Kenya Colony, British East Africa.

Captain Crueden has been in west for the past four months delivering a series of lectures. He is an old friend of the Pleasanton people. The captain was taken to Castlewood Country Club among other places of interest in Amador Valley. He declared that the club was one of the most beautiful he had ever visited and that the entire district was marvelous for its beauty and delightful climate.

Captain Crueden was one of a group of British officers who aided the colonization of Nairobi. This district is just fifty miles from the Equator and is a mecca for big game hunters. The principal agriculture product there is Sessile. Captain Crueden for several years has been acting as escort for big game hunters, elephants, tigers and lions abounding in the jungles near his home. On one exploration trip through country never before travelled by white men, it took the party five days to traverse 600 yards, he stated.

The recent picture "Trader Horn," was in a large portion filmed on the Captain's farm. The outdoor and mob scenes being taken in practically their entirity there. The workman on his farm were used in the picture.

One impression of America has been changed since arriving here, the captain stated. It was his and his friends' opinion that the only thing one could get in the United States was chewing gum. He has been here four months and he took his first chew of gum last Sunday.

VITAMINS

Vitamins are present in most foods as they come from the hand of nature. Many are destroyed in cooking. You can therefore see the importance of eating as much uncooked food as possible. Vitamins are necessary for growth and development, and protection against disease.

Vitamin "A"—Helps growth and vitality, and protects against diseases of the nose, throat and lungs. Especially diseases of the eye.

Supply: Raw milk, butter, cream cheese, fresh green vegetables, raw spinach, lettuce, raw cabbage, raw carrots, and raw tomatoes.

Vitamin "B"—without it there would be a loss of appetite, followed by nervous disorders and a disease known as beri beri.

Supply: Raw milk, raw green vegetables, whole wheat, raw corn on the cob, raw carrots, baked potatoes, asparagus, raw tomatoes, fruits and nuts.

Vitamin "C"—Gives vigor to general health and prevents scurvy.

Supply: Raw tomatoes, pineapple, oranges, lemons, grape fruits, raw spinach, lettuce, raw cabbage, baked potatoes, steamed onions.

Vitamin "D"—Enables the body to benefit from minerals contained in foods. Prevents sickness.

Supply: Raw egg yolk, is very rich in Vitamin D, should be eaten raw.

Vitamin "E"—Wards off old age, is source of glandular rejuvenation.

Supply: Raw sweet corn on the cob, lettuce, cotton seed oil and olive oil.

MILK: Should be used as a food not a drink. It should be sipped, not swallowed quickly. Either boiling or pasteurizing milk destroys some of its vitamins. Use raw milk.

EGGS: The white of the egg is almost pure protein. The yolk is rich in mineral, especially iron. They contain easily digested fats and also vitamins. They combine well with starch, but should be eaten raw or poached very soft.

NUTS: Are rich in protein, as well as fat and mineral salts. Nuts should be used as a food, not as dainties. The almond is the best of the nut family, but should be well chewed.

BANANAS: Are a healthful starch food if eaten when thoroughly ripened. They are not acid forming.

DATES and RAISINS: Are both excellent foods, they may be eaten as a dessert, made into a salad, with lettuce.

BREAKFAST

Drink at least two glasses of Bran water. Any kind of fresh or dried unsulphured fruit, melons or berries. Do not eat anything else; it is the wrong combinations of food that cause acid in the blood.

LUNCHEON—(Suggestion)

Lettuce, with grated raw carrots and beets. Olive oil dressing.

Whole wheat bread and necano butter. Glass raw milk.

Dessert: Oat meal cookies, bananas.

DINNER—(Suggestion)

Celery and olives, raw corn on the cob or raw spinach.

Poached eggs (very soft) on whole wheat toast, baked potato with butter (the skin to be eaten). Health cocoa, or coffee substitute.

Dessert: Raisins or dates.

Arcata—Feuerwerkers Department store opened after extensive remodeling.

HIGH PLACES IN ESSAY CONTEST ARE AWARDED TO AMADOR ENTRANTS

Four Girls, One Boy from Grammar School Are Honored

Pleasanton school children today were accorded outstanding places in the state-wide humane essay contest conducted under auspices of the Latham Foundation, of Oakland.

The contest, the fifth directed by the Latham Foundation, reached into scores of California schools, and was participated in by hundreds of students.

Edith Latham, president of the Foundation, said this week in announcing the results of the contest, that its purpose was not only to inculcate in children a deeper regard for animals, but also to ascertain how far the average school child understands humane teachings.

"Many hundreds of our essays," she said, "indicate that on the whole, great progress is being made in the attitude of California school children toward animals. These essays tell many stories of animal rescue work by children; how crippled dogs and cats are picked up and cared for; and how birds with broken wings are nursed back to health."

Pleasanton school children winning places in the contest include Dorothy Towner, June Sorensen, Winefred Doucette, Rita Jackson and Arthur Potwin.

Thirty-seven cash awards were made by the Foundation to the school children winning the most prominent places in the contest.

It was pointed out that the judges of the contest awarded the prizes not so much on account of good composition, but upon the child's understanding of humane principles.

"It is the desire of the Latham Foundation to expand this contest into more and more schools of California each year, so that kindness as a principle might be carried directly into the lives of thousands of children annually," Mrs. Latham said.

"Where understanding becomes a part of a child's conduct in life which is the objective of humane education, it naturally follows that the next generation will evince an attitude of greater kindness in all he contacts of life."

ALL TEAGHERS ARE RETAINED AT PLEASANTON

High School Trustees Reelect Present Faculty in Entirety

Amador Valley High School will have the same corps of teachers next year as is in charge of the school at present, with one exception, the commercial instructor, it was announced this week by the board of trustees.

All teachers were re-elected to the same positions for the ensuing semester at the meeting of the board held on Saturday.

Those who will make up the faculty will be as follows:

R. O. Moyer, principal; Miss Elvira Wollitz, English; Mrs. Anita Smith, home economics and art; Miss Eleanor Perry, ancient history, freshman English, and Latin; Miss Madeline Jacobsen, history and French; Miss Adelaide Howard, commercial; Edward C. Lanphier, science, chemistry, physics and algebra; and George Patterson, manuel training, mechanical drawing and athletic coach.

DECOTO FLOAT IS AWARDED HIGH POINTS AT FIESTA

Honorable mention was received by the float entered by Decoto in the Fiesta de Las Rosas held last week-end at San Jose. The float typified a Spanish settlement idea, and was replete with Spanish dancers and miniature home. The truck was donated by the Thomas Tile company, and much work was done through the courtesy of Kelly's garage. The committee who had charge of the arrangements wish to take this opportunity to thank all who participated in making the affair such a success.

Decoto Home Is Razed by Fire Early Thursday

The home of N. Delgato on Fourth and C streets, Decoto, was entirely razed by fire of undetermined origin early Thursday morning. The Decoto fire department received the call at one a. m., and succeeded in saving the garage from destruction. It is understood that the property was insured.

Township Bus Drivers Are Careful

PARENTS of pupils attending Washington Union High school may rest assured that the busses transporting their pupils to and from Centerville are taking every precaution for safety, and that chances of a tragedy similar to that which cost seven young lives at Merced, are remote.

In an effort to ascertain the exact conditions surrounding the safeguards afforded local students, The Register has had a man making a check-up on the busses serving this district. The investigation, covering some time, shows that the drivers, without exception, have made the required stops at railroad crossings and that every precaution looking to the safety of passengers has been taken.

The tragedy at Merced stands out too clearly in the minds of our readers to require much elaboration. Two weeks ago, a school bus containing forty-eight boys and girls was rammed by a Santa Fe freight train. Seven of the children were killed. Others were painfully injured. Many will bear marks of their injuries all through their lives.

The cause of the tragedy is uncertain. Some blame the bus driver. Others blame the train crew. What difference does it make? The bus driver is in the hospital very seriously injured. Ability to place the blame will not bring back a single life, nor will it relieve the pain of the injured.

The only thing an investigation can do is to impress upon those who travel the highways that death lurks unexpectedly at railroad crossings, and that only extreme care is a guarantee of safety.

SENIOR CLASS IS REHEARSING FOR MYSTERY DRAMA

"The Jade God" Will Be Offered at Amador High, May 29.

Rehearsals for "The Jade God," which is to be presented by the senior class of Amador Valley High School on Friday night, May 29, are being held every day under the direction of R. O. Moyer, principal.

The play is an entirely different mystery drama. It is one of the new thrillers written in 1929 and presented at the Cort Theater in New York. This play was put on by the senior class of the Stockton High School and found to be satisfactory for students to handle.

The cast will wear modern costumes with the exception of a Hindu, who will be dressed as an Oriental. The principals are learning their parts well and they will be in readiness for the performance, Moyer said.

Detailed Letter Addressed To City Marshall Causes Hilarity

Members of the Niles Chamber of Commerce were treated to the reading of a very humorous letter by Secretary Petsche at their regular weekly luncheon meeting held Tuesday noon, which pertained to a coat lost some time ago by a Canadian traveler, who stayed overnight in Niles.

The letter, addressed to the City Marshal, took up three closely written pages, and was to the effect that the writer had lost an overcoat in the hotel he had stopped at. He could not remember the name of the hotel, but from the indications of the letter he had remembered everything else to be known in the town, even to the nationality of the landlady, the stores on each side of the hotel, the location of the garage, and the names of the streets. The letter concluded with a neatly drawn map, showing the location of the hotel. The matter was turned over to Constable Wally Ebright, who reports that the coat has been found.

A letter from the Alameda County Welfare Board was read, expressing thanks for a recent donation of $25.00, made by the local Chamber of Commerce.

Much discussion revolved around a letter addressed to the Chamber relative to the proposed establishment of a fair ground and race track to serve Alameda and Contra Costa counties, to be located between Hayward and Oakland. The letter solicited a donation from the local organization, with a suggestion that one of the members be appointed to serve on the board of directors of the association. The matter was laid over for future consideration.

NATIVE DAUGHTERS TO HOLD DANCE SATURDAY

Laura Loma parlor No. 182, Native Daughters of the Golden West, of Niles, are to hold their annual ball on Saturday, May 23, at the Garden of Allah, under the supervision of A. A. Brady.

Music will be supplied by Rendon's Musical Entertainers, and the dance has been announced as the "paramount dance of the season."

From the advance sale of tickets, the dance promises to be a great success, and the hard-working committee in charge of the affair, will doubtless be rewarded.

MORE ON EXECUTIVE COMMITTEE

(Continued from Page 1)

its erection, the county voluntarily laid out and gravelled part of a street, 150 feet, long enough to reach just beyond the edge of the Memorial building. It is thought by both Mr. and Mrs. Shinn that the county should take over and prepare the balance of this street to make a through thoroughfare to connect with First and Second streets. In fact, Mr. Shinn has offered to donate the extra 170 feet of land necessary for this purpose.

The executive committee is now waiting to procure the necessary deed from the county, and it is thought that directly this is received, both Mr. Shinn and Mrs. McDonnell will affix their signatures to the deeds, and work will immediately commence.

He knows *where* *Fire* may strike

You may never see him. But he's working *now* to protect your life and property—the *Fire Prevention Engineer*. Who can estimate the thousands of lives he and his co-workers have saved; the millions in property loss prevented?

This new "science" of fire-prevention—first launched and continuously supported by insurance companies—is but 27 years old. Yet average national fire insurance rates have been reduced by 30 per cent!

Fire-fighters, too, have adopted scientific methods. Commissioners and fire-department chiefs now regard *prevention* as one of their first duties. They train their men to recognize and remove fire hazards; and, knowing that most disastrous fires are caused by carelessness, give freely of their time to educational work.

In this community and throughout California, fire-prevention directly concerns every man, woman and child. And so Bank of America, in the interest of *all* Californians, lends its staunch and active support.
